From Tralee town direction:

On the Listowel road, turn left at the second set of traffic lights (opposite Spar Supermarket). It is signposted for Collis-Sandes House. Pass the Na Gael FC Club on your left and you will see a turning up towards trees on your right just beyond the bend. Again it is signposted for Collis-Sandes House. Continue up that road until you see the building and the car park, (by Tralee pitch and putt).
